Catheter and Method)

AMENDMENT AFTER FINAL

Assistant Commissioner for
Patents
Washington, D.C. 20231

Dear Sir:

In response to the official action dated July 27, 1995, please enter the following amendments and consider the accompanying remarks.

IN THE SPECIFICATION

C1
Page 9, line 2, after "vascular." insert - The inner wall that defines the lumen acts as a restraint that retains and holds the puncturing element in its retracted position.--

C2
Page 9, line 5, after "wall." insert - The puncturing element is configured such that it moves to the puncturing position when the restraint provided by the inner wall of the lumen is no longer being applied.--
